

COCKTAIL MENUS

Korundi House of Culture is a space for art and people in Rovaniemi, Lapland. It is home to Rovaniemi Art Museum and Lapland Chamber Orchestra; a place where the world unfolds from a northern perspective. Art creators and art lovers, celebration and the everyday, history and the present all come together in Korundi.

Korundi is a stone foundation of culture in Lapland, a post bus depot that survived the second world war and now delivers messages through art. The red brick landmark is a stylish venue for meetings and functions, where first-class arrangements and service guarantee memorable moments. Refreshments can be served in the restaurant or foyer. It is also possible to arrange a suitable program for your event, such as concerts, performances and guided exhibition tours.

The menus of Korundi combine nordic ingredients and warm spices of the world. The menus are suitable for all diners since the most common special diets have been taken into consideration in the planning process.

Please contact our sales department, and together we can arrange a successful event!
